6. If at any time the President resigns, in writing, from the duties of the office, the Vice President shall become President and a new Vice President shall be appointed by the Executive Board from committee and subcommittee chairs to fulfill the remainder of the term. - Members may be asked to submit names to be added to the official judges list.

E. High Point Awards

i. Eligibility

1. Both the owner and rider must be current members of ETSA in good standing (membership dues paid for current year)
EXCEPTIONS:
 - a. Rescued horses that the ownership of the horse is retained by the rescue organization, in which case the rescue organization and rider must be members of ETSA.
 - b. Rescued horses for which the owner on record with ASHBA refuses to transfer the papers, in which case the rescue/new owner must provide a written explanation to be kept on file by ETSA explaining the situation. The rider must be an ETSA member.
2. Must show in two (2) ASHBA sanctioned shows. If a particular class is only offered at two affiliated shows, then the award will be presented based on points from those two shows.
3. Academy riders must show at two (2) ASHBA sanctioned shows.
4. Nominator must assist with a show put on by ETSA (ETSA Spring Classic, ETSA Midsummer Classic, or other ETSA sponsored event [Note: Helping at non-ETSA shows does not meet this requirement]) by serving on the horse show committee (must attend at least three [3] meetings), providing food for the exhibitors' party/hospitality breakfast, working during a show, selling sponsorships, sponsoring Add A Class, or sponsoring ETSA horse show classes.
5. It is the member's responsibility to notify the Recording Secretary within fourteen (14) days by writing or through email of any service performed in E.i.4. August 31 is the final deadline for submitting this information in writing for high point qualification.

ii. Nominations and Accruing Points

1. Horses must be nominated and dues paid in order to receive points. In equitation and academy divisions, the rider must be nominated and dues paid in order to receive points. A nomination form must be filled out and submitted to the ETSA Recording Secretary and dues paid before the horse or rider is eligible for points. This may be done electronically through the website, by submitted paper form, or by email.
2. Points will be awarded in the class the horse or rider shows in at each individual show. Horses are not required to be nominated in a particular division; however, points will be awarded only for the exact class in which the horse is shown at each show. If horses or riders change division from show to show, the points will be awarded for the exact class for each show.
3. Points earned follow the horse, not the rider. Exception: In equitation and academy, points follow the rider.
4. Points follow the horse if the horse is sold. The new owner must be a current ETSA member and fulfill eligibility requirements to accrue points. If an ETSA member purchases a new horse, the member must nominate that horse through the website, by paper form, or by email before any points will be awarded toward high point for the new horse. Ownership transfers must be made with ASHBA and be reflected by the ASHBA database by December 31 of the competing year for points to be accrued by the new horse.

5. Points are earned from the date the nomination and payment are received or postmark date if mailed. Points will **NOT** be awarded for any shows prior to nomination and payment of dues.
6. The recorded owner of the horse (per ASHBA database) must be a current ETSA member. All riders showing the horse must be current members of ETSA in order to receive points.
7. Members are responsible for contacting the Recording Secretary by writing or through email within fourteen (14) days of any service performed in E.i.4. The final deadline for submission is August 31.
8. Points will be awarded as follows:
 - a. First place: 10 points
 - b. Second place: 9 points
 - c. Third place: 8 points
 - d. Fourth place: 7 points
 - e. Fifth place: 6 points
 - f. Sixth place: 5 points
 - g. Seventh place: 4 points
 - h. Eighth place: 3 points
 - i. Ninth place: 2 points
 - j. Tenth place: 1 point
9. Double points will be awarded for championship classes with a qualifier. The horse or rider for equitation and academy must have shown and been judged in both classes to qualify for double points.
10. Double points will be awarded for shows within the state of Tennessee unless another show is held within the state over the same dates as one of the ETSA club sponsored shows. In the event that this happens, **ONLY THE ETSA SHOW** will receive double points.
11. The stated points will be awarded regardless of the number of entries shown in a class.
12. Points, nominations, and eligibility requirement status will be kept by the Recording Secretary or other individual selected by the President with the approval of the Executive Board.

Any member in good standing who shows a horse that has been nominated according to the nomination guidelines listed above will receive points earned for that show.

v. High Point Self Reporting and Competition Logs

It is the responsibility of each ETSA member to report their personal horses' show results EACH year PRIOR to tabulation deadlines. Results must be reported by NOVEMBER 1 by submitting a High Point Competition Log (as documented on the ETSA web site) filled out completely for each nominated horse. It is Owner, Agent, or Rider responsibility to report points earned each competition year. If horses are shown after the November 1 deadline, results can be added to the horse's Competition Log by simply emailing the results to the Recording Secretary. It is also the Owner, Agent, or Rider responsibility to check the published points standings for accuracy once the Recording Secretary has published the standings. Competition Logs are available on the ETSA website to be filled out by hand and mailed in, scanned and emailed after filling in, or by

using the fillable form and emailing. Print as many forms as needed to report each individual horse's points. Forms will also be available in the office at each of our sponsored horse shows or from the Recording Secretary personally.

NO changes will be made after the competition year has ended and points have been published unless a tabulation error or violation of rules has occurred. Members should review the published competition logs and then file any grievances, protests, questions, comments, or point standing inquiries in writing via email or written letter to the Recording Secretary no later than two (2) weeks after points are published on the ETSA website. Competition Logs are due by NOVEMBER 1 each year and the points tabulation will be published for review by the membership for two (2) weeks prior to finalization of awards.
